***THE CENTRAL ASSOCIATION OF  
OBSTETRICIANS AND GYNECOLOGISTS***

## **“WHO WE ARE”**

The CAOG has a total membership of nearly 500 OB-GYN’s residing primarily in the twenty-nine “central states” but also includes members who have relocated to the coastal states. Its members represent both academic and community leaders in obstetrics and gynecology. Most are heavily involved in residency teaching and actively participate in women’s health care education.

The mission of the Central Association of Obstetricians and Gynecologists (CAOG) is to promote optimal healthcare of women by providing high quality continuing medical education and a forum for advancing and discussing scientific research in obstetrics, gynecology and women’s health care. The CAOG is committed to addressing the concerns of a diverse group of community and academic obstetricians and gynecologists by fostering an atmosphere of collegiality, mutual respect, scientific inquiry and mentoring among its members.

For over 90 years the CAOG has honored its mission statement and, in fact, is one of the founding organizations of the American College of Obstetricians and Gynecologists in 1951. Our members are known locally, regionally, nationally, and in many cases, internationally.

The CAOG Annual Meeting usually draws 200 physicians, spouses and guests from industry. Our meeting focuses on original research supplemented with updates on “Hot Topics” in women’s health care. Then this information is promptly disseminated to teaching programs across the country. This is why many of our industry supporters have found the CAOG Annual Meeting so beneficial in the past and keep returning year after year.

The CAOG Annual Meeting provides a great opportunity to exhibit and provide other kinds of support as described in this prospectus. We hope you will consider joining the CAOG at its 91<sup>st</sup> Annual Meeting. The 2024 meeting will be held October 16-19 at the inviting Hyatt Regency in downtown Indianapolis, Indiana. We anticipate a sold out meeting again this year.

Please contact me with any questions you may have.
